Hi Jhovanny,

Please check out e-nable prosthetics:  
<https://enablingthefuture.org/>Ideas for materials and opinions from an amputee:  
<https://www.stumpworx.com/>HuskyADAPT projects for ideas:  
<https://www.huskyadapt.me.uw.edu/design-project-archive>

Attached is a poster Sage Brill and I did last year. :)

I'm excited about this project! Please feel free to ask any questions and I would love to hear your progress.

Best,

Dianne
